

Dear Sir/Madam,

We have some news to share about Natureza. After a lot of introspection, Dr Zankruti Patel has decided she wants to focus on her health and has sold the practice. This has been a difficult decision for her but she will be staying on and continuing to work as normal. We are all very grateful for your support in the past years and look forward to this next chapter where we can focus on providing the best treatment for your needs.

Natureza will now become part of the Dentistry for You Group. Dentistry For You will ensure that we maintain continuity of care for your dental treatment. We will also be reaching out to you periodically with exclusive offers for our existing patients only.

What this means for you:

- you will be registered with us at Dentistry for You Natureza
- all your patient records and treatment will remain at the practice
- you will be able to book appointments for routine and emergency care
- you will have access to referrals to the clinicians within the Dentistry for You Group.

For a limited time only, the practice will be offering FREE consultations and 25% off all cosmetic treatments* as an introductory offer.

Services that we will be offering at the practice include;

Routine Dental Care
Teeth Straightening
Dental Implants
Endodontic Services
Periodontal Services
Hygienist Treatments

If you would like to discuss any aspect of the changes, please feel free to reach out to reception on 020 8654 3984 or email us at info@naturezadental.co.uk

Kind regards

Dentistry for You Natureza Team
